Re: Response to Notice of Hearing
Case No: 05-C-03293-LMA
Raymond B. Pasquini, SBN: 189606

Dear Judge Armendariz:

My name is Raymond B Pasquini, a member of the California State Bar, responding to the above stated Matter. The purpose of this letter is to respond to the Notice of Hearing pursuant to Business and Professional Code 6101 and 6102. I apologize for this informal format but I have no access to a typewriter &/or Computer and I do not have access to Rules of procedure or practice of the State Bar.

Due to my violation of Vehicle

Code 23153(b) the Court sentenced me to the California Substance Abuse Treatment Facility and have approximately 18 more months until release. My access to a Law Library is also quite limited.

I hope that this Response will avoid an entry of default since I also do not have the means or funds to hire an attorney. I wish to represent myself in this matter & continue this process to completion if the Court allows me to appear telephonically, although, I can only phone out collect.

I am certain that this Court will determine that the violation of Vehicle Code section 23153(b) did not involve moral turpitude. I will present evidence that the interaction of a prescribed drug called "Klonopin" + its interaction with alcohol caused me to become unconscious resulting in an accident and a total lapse of any memory of that unfortunate event.

I can be contacted at the following address: CSATF - F3B - 132
Pasquini, F 46485
900 Quebec Avenue
P.O. Box 5248
Corcoran, Ca 93212

Please to maintain confidentiality write "Legal Mail" several locations on the outside of the envelope.

Again, I sincerely apologize for this Informal Response, albeit to avoid default, but also ~~and~~ to expedite this matter in the hopes that both parties can reach an equitable solution.

Quite Sincerely & Respectfully submitted,

Raymond B. Pasquini
