Case No. 04-O-13205  
**ORDER APPROVING STIPULATION AND  
MODIFYING RECOMMENDATION**

On November 21, 2005, the court approved a Stipulation re Facts, Conclusions of Law and Disposition and Order Approving in the above-entitled matter, recommending one year stayed suspension, two years probation, with no period of actual suspension. The case was transmitted to the California Supreme Court for approval. On January 26, 2006, the parties filed a Stipulation re Modification. The parties agreed that since respondent took and passed the Multistate Professional Responsibility Examination (MPRE) in March of 2005, she should not be required to take and pass it again as part of this current proceeding. Accordingly, the parties requested that the court modify its recommendation to the Supreme Court to delete the MPRE requirement.

Finding good cause, the Stipulation re Modification is approved, and it is hereby ordered that the Stipulation re Facts, Conclusions of Law and Disposition and Order Approving filed on November 21, 2005 is modified as follows: On page 6, the MPRE requirement is deleted. The parties have waived the time for reconsideration and review, and thus, it is hereby ordered that this matter be transmitted to the Supreme Court without further delay.
