17 Respondent, Raymond B. Pasquini, a member of the California State Bar, now
18 answers the allegations in the above entitled action, as set forth in The Review of
19 the State Bar Court in Bank, filed on December 3, 2007, stating that the
20 Respondent's violation of California Vehicle Code Section 23153 (a) may involve
21 moral turpitude. Respondent denies said violation involved moral turpitude or other
22 misconduct.

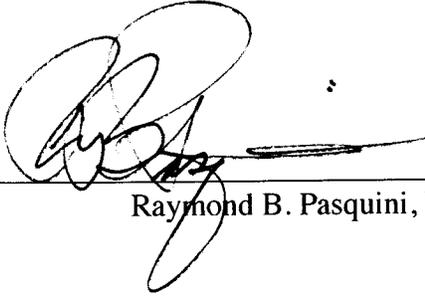

23 Respondent further states that at the time of the violation he was under the
24 influence of a prescribed medication, Klonopin, prescribed by Richard Gardner,
25 M.D. for severe panic attacks. Respondent had been on and prescribed this
26 medication since in or about the year 2000. Respondent was unaware that said
27 medication when mixed with alcohol severely magnified the affects of the alcohol
28

1 causing Respondent to become unconscious of his actions. Respondent was not
2 conscious of driving his vehicle at the time of the incident and only remembers
3 waking up in the hospital approximately 2 months later.
