STATE BAR COURT CLERK'S OFFICE

**STATE BAR COURT OF CALIFORNIA
HEARING DEPARTMENT – SAN FRANCISCO**

In the Matter of)	Case No.: 05-O-00089
)	
ARTHUR EGBERT FISHER,)	ORDER GRANTING MOTION FOR
)	RECONSIDERATION; ORDER
Member No. 91650,)	AMENDING DECISION
)	
<u>A Member of the State Bar.</u>)	

On May 21, 2010, the court filed its Decision and Order Sealing Certain Documents (Decision) in the above-entitled matter.

On May 27, 2010, the Office of the Chief Trial Counsel of the State Bar of California (State Bar), by and through Deputy Trial Counsel Erica Dennings filed a request for reconsideration and modification of the May 21, 2010 Decision. Respondent filed no response or objection to the State Bar's request.

In the first paragraph of the first page of the Decision, the court stated, that it would be recommending to the Supreme Court that respondent be suspended from the practice of law in California for one year, that execution of the period of suspension be stayed, and that he be placed on probation for **one** year subject to certain conditions. Additionally, on page 5 of the Decision the court also stated that it had found that respondent successfully completed the ADP and would recommend to the Supreme Court the imposition of the discipline set forth in the Confidential Statement of Alternative Discipline and Orders [Statement] if respondent

successfully completed the ADP. On page 3 of the Statement, lodged January 8, 2007, it is set forth that that the court would recommend that respondent be suspended from the practice of law for one year, that that period of suspension would be stayed, and that respondent be placed on probation for **one** year, if he successfully completed the Alternative Discipline Program.

The discipline recommendation, as set forth on pages 5 and 6 of the Decision, however, states that respondent “be suspended from the practice of law in California for one year, that execution of the period of suspension be stayed, and that he be placed on probation for two years” subject to certain conditions. It is apparent that the word “two” which appears prior to the word “years” in the first line of page 6 of the Decision is a clerical error.

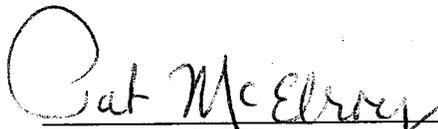

Therefore, after reviewing and considering the State Bar’s motion, the court **GRANTS** the State Bar’s motion, and it is ordered that the court’s Decision and Order Sealing Certain Documents, filed on May 21, 2010, is hereby amended as follows:

The words “**two years**” which appear in the first line on page 6 of the Decision are deleted; and, the words, “**one year**” are inserted in their stead.

As respondent did not object to the State Bar’s request for reconsideration/modification, the time for filing a motion to reopen the record and/or for reconsideration of the court’s May 21, 2010 Decision under rules 222 and 224, respectively, of the Rules of Procedure of the State Bar of California, and the time for filing a request for review of the Decision under rule 300 of the Rules of Procedure will be calculated from May 21, 2010, the date the Decision and Order Sealing Certain Documents was served on the parties

IT IS SO ORDERED.
