<u>A Member of the State Bar.</u>	)	

This matter is before the court on respondent **ARTHUR EGBERT FISHER'S** October 11, 2011 motion to extend the time in which he has to take and pass the Multistate Professional Responsibility Examination (MPRE) under the Supreme Court's September 21, 2010 order in case number S184649 (State Bar Court case number 05-O-00089-PEM).<sup>1</sup> On October 17, 2011, the State Bar's Office of Probation filed a response to respondent's motion stating that it does not oppose respondent's request for a short extension of time.<sup>2</sup>

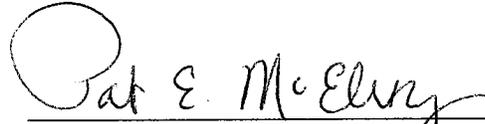

Good cause having been shown, the court orders that respondent's motion to extend time is GRANTED and that the time in which respondent must take and pass the MPRE and provide

<sup>1</sup> Respondent inartfully titled his motion for extension of time as a "motion to be excused from adverse action pending delay in taking MPRE."

<sup>2</sup> As the Office of Probation aptly notes in its response, respondent's motion does not contain the information required under Rules of Procedure of the State Bar, rule 5.162(E), and respondent improperly signed the motion's proof of service under State Bar Court Rules of Practice, rule 1112(a)(2). Needless to say, any future motion for extension of time that respondent files must contain all of the required information and be accompanied by a proper proof of service.

proof of such passage to the Office of Probation is EXTENDED until December 31, 2011. (Cal. Rules of Court, rule 9.10(b); Rules Proc. of State Bar, rule 5.161(A)(2).)

Dated: November 7, 2011.
