<u>A Member of the State Bar.</u>)	FILING OF AN AMENDED DECISION

The Decision Including Disbarment Recommendation and Order of Involuntary Inactive Enrollment (“decision”) was filed in the above-entitled matter on January 17, 2008. It has since come to the court’s attention that due to a printing malfunction, certain text in the decision was inadvertently bolded, italicized, and underlined. Therefore, to correct this printing malfunction, as well as further typographical errors, the court will file an amended decision in this matter incorporating the following corrections:

1. On page 1 of the decision, in the first paragraph under “Significant Procedural History,” line four, “May 30, 3006” is deleted, and in its place is inserted “May 30, 2006.”
2. On page 20 of the decision, all improperly bolded, italicized, and/or underlined text have been corrected;
3. On page 21 of the decision, in the second line of the fourth full paragraph, the word “case” is deleted, and in its place is inserted “cases.”

As these modifications do not constitute substantive changes to the decision, this matter will be transmitted to the Supreme Court without additional delay. (See rules 220 & 250 of the Rules of Procedure of the State Bar of California.) Additionally, respondent is to remain on involuntary inactive enrollment status pursuant to section 6007,

subdivision (c)(4), as originally ordered in the court's decision filed on January 17, 2008.
