Case No.: 05-O-04988
MODIFICATION ORDER

The court's October 11, 2007, order approving the parties' stipulation as to facts, conclusions of law, and disposition is MODIFIED to read as follows:

Finding the stipulation to be fair to the parties and that it adequately protects the public, IT IS ORDERED that the requested dismissal of counts/charges, if any, is GRANTED without prejudice. The stipulated facts and disposition are APPROVED AS MODIFIED as set forth below, and the DISCIPLINE IS RECOMMENDED to the Supreme Court.

On page 6, in the last sentence of paragraph F(1), the word "two" is changed to "six" so that the sentence now reads:

In place of the MPRE, Respondent is required to take six hours of Continuing Legal Education in general ethics.

The parties are bound by the stipulation as approved unless: 1) a motion to withdraw or modify the stipulation, filed within 15 days after service of this order, is granted; or 2) this court modifies or further modifies the approved stipulation. (See rule 135(b), Rules of Procedure.) The effective date of this disposition is the effective date of the Supreme Court order herein, normally 30 days after file date. (See rule 9.18(a), California Rules of Court.)

Any objection to this modification order must be filed no later than 15 days after the date of service. If either party timely files an objection, the parties' stipulation will be deemed rejected on the date the objection is filed without the necessity of further court order. If no timely objection is filed, the stipulation remains approved as modified by this order, and the State Bar Court's staff is directed to transmit the record in this matter to the Supreme Court at that time without further delay.

Dated: December 6, 2007.
