The court sua sponte MODIFIES the parties' stipulation as to facts, conclusions of law, and disposition and this court's order approving that stipulation which were filed on May 5, 2008, as follows.

On page 4 of the stipulation, the X in box E(1) is deleted so as to remove the requirement that respondent comply with standard 1.4(c)(ii) of the Standards for Attorney Sanctions for Professional Misconduct if his actual suspension extends for two or more years.¹

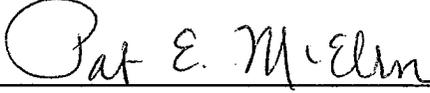

Any objection to this modification must be filed within 15 days after the date of service of this order. If either party timely files an objection, the stipulation will be deemed rejected on the date the objection is filed without the necessity of further court order. If no timely objection

¹ The conditional standard 1.4(c)(ii) requirement is inappropriate in this matter because there is no possibility that respondent's actual *disciplinary* suspension will exceed two years.
