Having considered the motion for reconsideration filed by respondent Frank Patrick Sprouls, the opinion on review filed on August 11, 2010, is hereby modified as set follows:

On page 8, the language on line 18, that states: "included the same false statements of fact" is deleted, and the following language is inserted in its place:  
"failed to correct the errors and false statements contained in his previous motions."

In all other respects, respondent's motion for reconsideration is denied. This modification does not change or alter any of the factual findings or legal conclusions set forth in the opinion, and does not extend the time within which the parties may seek reconsideration. Accordingly, since the time for reconsideration has expired and no further motions are pending, the clerk is directed to transmit this matter to the Supreme Court without further delay.
