In the Matter of

Member No. 152392,

A Member of the State Bar.

Case No. 06-O-14108

**ORDER GRANTING
RECONSIDERATION OF MAY 1, 2008
STIPULATION AND ORDER**

On May 16, 2008, the State Bar of California filed an order requesting a reconsideration of the Hearing Department order modifying the parties' stipulation in the above-entitled matter. Specifically, the State Bar noted that in paragraph 1 of the Court's May 1, 2008 order, the hearing department wrote: "On page 5, section E(1) is deleted as respondent's stayed suspension is less than a year and his actual suspension is 30 days." The State Bar correctly opined that the hearing department meant to state that the stayed suspension is less than two years and the actual suspension is 30 days. Accordingly, the motion for reconsideration is **GRANTED**.

The "Stipulation re Facts Conclusions of Law and Disposition and Order Approving," (stipulation), filed on May 1, 2008, is **MODIFIED** by deleting paragraph 1 in its entirety from the Order on page 12, and replacing it with the following:

1. On page 5 of the stipulation at paragraph (1) of section "E," the "x" in the box preceding the text of paragraph E(1) is deleted, as there is no condition in this matter that would allow for respondent to be "actually suspended for two years or more." Respondent's stayed suspension is less than two years and his actual suspension is 30 days.

The stipulation as modified in this order remains approved, and a staff member of the State
