<p>In the Matter of:</p> <p>DAVID GILLESPIE MALVEAUX</p> <p>Member No.: 224220</p> <p>A Member of the State Bar</p>	<p>Case No(s): 07-C-13122 ,et al (S181033);10-O-00685, et al (S198032)</p> <p><i>NOT CONSOLIDATED</i></p> <p>MINUTE ORDER GRANTING AND DENYING PETITION FOR COST RELIEF</p>

On October 10, 2012, a motion was filed by Petitioner, seeking relief from the prior cost awards in the captioned matters and citing financial hardship. On October 25, 2012, the State Bar filed an opposition to the motion, opposing the granting of complete relief from the cost awards but not opposing the granting of an extension of time to pay the costs awarded in case no. 07-~~C~~-13122.

The Supreme Court's order in case no. 10-O-00685 (S181033) resulted from a stipulation signed by the parties and approved by the undersigned. That stipulation and resulting order apportioned Petitioner's obligation to pay resulting costs into two years, requiring payments with Respondent's State Bar dues in 2013 and 2014. The court agrees that complete relief from the cost obligation should not be given. To that extent, Petitioner's motion is denied. The court also finds no reason to alter the installment payment schedule in case no. 10-O-00685.

GOOD CAUSE APPEARING, partial relief is warranted with regard to the costs awarded in case no. 07-~~C~~-13122 (S198032). Such costs will now be paid in equal installments over the three billing cycles beginning 2015. More specifically, one-third of the disciplinary costs are to be paid prior to February 1, 2015; one-third of the costs are to be paid prior to February 1, 2016; and one-third of the costs are to be paid prior to February 1, 2017.

If Respondent fails to pay any of the above installment payment more than 10 days after its due date without the prior written approval of the State Bar, the remaining unpaid balance of the costs will be due immediately and be enforceable both as provided in Business and Professions Code section 6140.7 and as a money judgment.

IT IS SO ORDERED.
