---

On May 21, 2013, respondent Lorraine Dickson filed a motion for a second extension of time to take and pass the Multistate Professional Responsibility Examination (MPRE). The Office of Probation opposes the motion. Respondent seeks the further extension because she was mistaken as to the registration period for the prior examination and because of child health care issues. She has registered for the August 2013 examination. The court finds good cause and grants the motion. Accordingly respondent's time to take and pass the MPRE and provide satisfactory proof of such passage to the State Bar's Office of Probation in Los Angeles is extended until September 23, 2013. No further extensions are contemplated.
