<u>A Member of the State Bar.</u>)	

On May 10, 2013, respondent William Edward Levin filed a motion for full relief from, or an extension of time to pay, costs; an extension of time to take and pass the Multistate Professional Responsibility Examination (MPRE); modification of several conditions of his discipline probation; and for other specified relief. The State Bar opposes granting full relief from paying costs.

Good cause is shown to extend the time to pay costs but not for full relief. Accordingly, respondent is ordered to pay the discipline costs on or before January 1, 2015.

The request to extend the time to take and pass the MPRE is referred to the review department under rule 5.161(A) of the Rules of Procedure of the State Bar as deadline for complying has passed.

No good cause is shown to modify respondent's probation or to grant the other relief requested. Therefore, the remaining requests in his motion are denied.
