I am readily familiar with the State Bar of California's practice for collection and processing of correspondence for mailing with the United States Postal Service, and overnight delivery by the United Parcel Service (UPS). In the ordinary course of the State Bar of California's practice, correspondence collected and processed by the State Bar of California would be deposited with the United States Postal Service that same day, and for overnight delivery, deposited with delivery fees paid or provided for, with UPS that same day.

I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date on the envelope or package is more than one day after date of deposit for mailing contained in the affidavit.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct. Executed at San Francisco, California, on the date shown below.
