Case No.: 12-O-17810-DFM
ORDER MODIFYING DECISION

On January 31, 2014, this court filed a Decision in the captioned matter. At the conclusion of that decision, this court recommended that Respondent be suspended from the practice of law in California for three years, that execution of that period of suspension be stayed, and that Respondent be placed on probation for a period of three years subject to various conditions, including the requirement that Respondent be actually suspended from the practice of law for a minimum of the first two years of probation and until he provides proof to the State Bar Court of his rehabilitation, fitness to practice and learning and ability in the general law. (Rules Proc. of State Bar, tit. IV, Stds. for Atty. Sanctions for Prof. Misconduct, std. 1.2(c)(1).)

Unfortunately, in the discussion preceding that recommendation, there is unintended language in the Decision suggesting that this court had concluded that a shorter period of 18 months' actual suspension was being recommended.

To make clear the actual intent and recommendation of this court, the Decision is hereby modified as follows: The final sentence under the heading Discussion, appearing on page 14 of the Decision, is hereby deleted and replaced with the following: "Accordingly, the court determines that an actual suspension of a minimum of two years, as set forth below, is proper and adequate for the protection of the public, the courts and the legal profession."

IT IS SO ORDERED.

Dated: February 12, 2014
