On March 28, 2014, the State Bar of California, Office of the Chief Trial Counsel (State Bar) filed with this court and sought to serve on respondent Jenny Wong (respondent) a First Amended Notice of Disciplinary Charges (First Amended NDC) in the above-entitled matter. When respondent subsequently failed to file a response to the First Amended NDC, the State Bar filed and properly served a motion for the entry of respondent's default on July 1, 2014. Respondent's default was thereafter entered on July 17, 2014. The State Bar has now filed a petition seeking respondent's disbarment pursuant to rule 5.85 of the Rules of Procedure of the State Bar of California.

After reviewing and considering the papers filed in this matter, the court finds that the State Bar has failed to provide proper proof of service of the First Amended NDC. The

declaration of service attached to the First Amended NDC reflects that the NDC, not the First Amended NDC, was served on respondent on March 28, 2014.

Accordingly, the court issues the following orders:

1. The July 17, 2014, order entering respondent's default and enrolling her inactive under Business and Professions Code section 6007, subdivision (e), is hereby vacated, nunc pro tunc, to July 17, 2014;

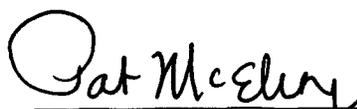

2. The State Bar's petition for disbarment filed on November 10, 2014, is deemed moot, as the court is vacating the order entering respondent's default in this matter;

3. The December 5, 2014, order submitting this default matter for decision is hereby vacated; and

4. The State Bar is directed to file proof of proper service of the First Amended NDC in this matter by March 2, 2015, or this matter will be dismissed without prejudice.

**IT IS SO ORDERED.**
