Case No.: 15-C-12470-DFM  
**ORDER AMENDING ORDER  
APPROVING STIPULATED PUBLIC  
REPROVAL**

On July 28, 2017, this court filed an order approving a Stipulation re Facts, Conclusions of Law, and Disposition in the captioned matter and issuing a public approval.

On review of the underlying stipulation, the court now notes that, while the typed language of the stipulation refers to a "one year" condition period and several conditions of reproval are "checked" in which that "condition period" is an integral part, the box for paragraph E(1), which defines the duration of the condition period, is not checked.

The absence of a check on the box for paragraph E(1) is clearly an inadvertent and unintended omission by both the parties and this court. Accordingly, the previous order is hereby amended, nunc pro tunc, to deem that box checked.

**IT IS SO ORDERED.**

Dated: August 16, 2017
