10) ANSWER

11
12 At the evaluation conference the judge suggested obtaining an evaluation of
13 substance abuse / mental health issues as part of potential matters to be discussed at a
14 later settlement conference. An evaluation was sought. While I have not been provided the
15 results or told any specific findings, based on the evaluation I have been referred to a
16 specialist. As a result, at this time the allegations in the notice are denied, defenses are
17 reserved, and this answer is subject to being amended.
