8 STATE BARCOURT

9 HEARING DEPARTMENT -SAN FRANCISCO

10 In the Matter of: Case No.15-0-14058

11 GORDON DEAN BROWN RESPONSE
12 No.171745

13 _____ /
14 As indicated in the Notice of Disciplinary Charges the undersigned failed to attend the Ethics
15 school with the one (1) year time period and also failed to submit timely quarterly reports.
16 During the period of time respondent was dealing with a number personal stressful issues and
17 rather than responding affirmatively went in to a shell when it was realized that control of the
18 required time-line had been lost. I also thought that I could complete the Ethics school by the
19 end of the end of the two year period. Then with the signing of the recent stipulation that
20 required me to complete the Ethics School along with the course in Trust Account management I
21 thought the clock was restarted. Much to my surprise the Court suspended me, effective June 1,
22 2015, until such time as I completed the that requirement.

23 I realize that I personally tried to shoulder too much without seeking help from others. As
24 discussed at the E.R.C. I would like to participate in State Bar Program (LAP) or a comparable
25 program.I am in a better mental and financial situation to meet all of my obligations. Even now I
26 am amazed by how quickly things unraveled.
