STATE BAR COURT CLERK'S OFFICE
SAN FRANCISCO

HEARING DEPARTMENT - SAN FRANCISCO

In the Matter of)	Case No. 15-O-14509-LMA
)	
ZOLLIE S. S. STRINGER III,)	DECISION AND ORDER OF
)	INVOLUNTARY INACTIVE
A Member of the State Bar, No. 177758.)	ENROLLMENT
_____)	

In this matter, respondent Zollie S. S. Stringer III (Respondent) was charged with one count of misconduct alleging his misrepresentation of minimum continuing legal education (MCLE) requirements. Respondent failed to participate either in person or through counsel, and his default was entered. The Office of Chief Trial Counsel of the State Bar of California (State Bar) filed a petition for disbarment under rule 5.85 of the Rules of Procedure of the State Bar.¹

Rule 5.85 provides the procedure to follow when an attorney fails to participate in a disciplinary proceeding after receiving adequate notice and opportunity. The rule provides that if an attorney's default is entered for failing to respond to the notice of disciplinary charges (NDC), and the attorney fails to have the default set aside or vacated within 90 days, the State Bar will file a petition requesting the court to recommend the attorney's disbarment.²

¹ Unless otherwise indicated, all references to rules are to this source.

² If the court determines that any due process requirements are not satisfied, including adequate notice to the attorney, it must deny the petition for disbarment and take other appropriate action to ensure that the matter is promptly resolved. (Rule 5.85(F)(2).)

In the instant case, the court concludes that the requirements of rule 5.85 have been satisfied, and therefore, grants the petition and recommends that Respondent be disbarred from the practice of law.

FINDINGS AND CONCLUSIONS

Respondent was admitted to practice law in this state on October 3, 1995, and has been a member since then.

Procedural Requirements Have Been Satisfied

On January 24, 2017, the State Bar properly filed and served an NDC on Respondent by certified mail, return receipt requested, at his membership records address. The NDC notified Respondent that his failure to participate in the proceeding would result in a disbarment recommendation. (Rule 5.41.) The NDC was not returned to the State Bar by the U.S. Postal Service as undeliverable.³

In addition, reasonable diligence was used to notify Respondent of this proceeding. The State Bar attempted to contact Respondent without success. These efforts included sending an email to Respondent at a private email address contained in the State Bar's membership records; calling Respondent at his membership records telephone number; calling Respondent at a private telephone number contained in the State Bar's membership records; conducting a LexisNexis search for additional contact information for Respondent; and attempting to contact Respondent at the address, email addresses, and telephone number identified in the LexisNexis search.

Respondent failed to file a response to the NDC. On February 22, 2017, the State Bar filed and properly served a motion for entry of Respondent's default. The motion complied with all the requirements for a default, including a supporting declaration of reasonable diligence by the deputy trial counsel declaring the additional steps taken to provide notice to Respondent.

³ It is not clear whether the State Bar received a signed return receipt for the NDC. (See rule 5.80(B)(1).)

(Rule 5.80.) The motion also notified Respondent that if he did not timely move to set aside his default, the court would recommend his disbarment. Respondent did not file a response to the motion, and his default was entered on March 10, 2017. The order entering default was served on Respondent at his membership records address by certified mail, return receipt requested. The court also ordered Respondent's involuntary inactive enrollment as a member of the State Bar under Business and Professions Code section 6007, subdivision (e), effective three days after service of the order, and he has remained inactively enrolled since that time.

Respondent did not seek to have his default set aside or vacated. (Rule 5.83(C)(1) [attorney has 90 days to file motion to set aside default].) On June 14, 2017, the State Bar filed the petition for disbarment. As required by rule 5.85(A), the State Bar reported in the petition that: (1) it has had no contact with Respondent since the default was entered; (2) Respondent has no other disciplinary matters pending; (3) Respondent has no prior record of discipline; and (4) the Client Security Fund has not made any payments resulting from Respondent's conduct. Respondent did not respond to the petition for disbarment or move to set aside or vacate the default. The case was submitted for decision on July 11, 2017.

The Admitted Factual Allegations Warrant the Imposition of Discipline

Upon entry of Respondent's default, the factual allegations in the NDC are deemed admitted and no further proof is required to establish the truth of such facts. (Rule 5.82.) As set forth below in greater detail, the factual allegations in the NDC support the conclusion that Respondent is culpable as charged and, therefore, violated a statute, rule, or court order that would warrant the imposition of discipline. (Rule 5.85(F)(1)(d).)

Case No. 15-O-14509 – The MCLE Compliance Matter

Count One – Respondent willfully violated Business and Professions Code section 6106 (moral turpitude – misrepresentation) by reporting under penalty of perjury to the State Bar that

he had fully complied with his MCLE requirements for the period of February 1, 2011 to January 31, 2014, when Respondent knew or was grossly negligent in not knowing he had failed to complete the MCLE requirements for that period.

Disbarment is Recommended

Based on the above, the court concludes that the requirements of rule 5.85(F) have been satisfied, and Respondent's disbarment is recommended. In particular:

- (1) the NDC was properly served on Respondent under rule 5.25;
- (2) reasonable diligence was used to notify Respondent of the proceedings prior to the entry of his default;
- (3) the default was properly entered under rule 5.80; and
- (4) the factual allegations in the NDC deemed admitted by the entry of the default support a finding that Respondent violated a statute, rule, or court order that would warrant the imposition of discipline.

Despite adequate notice and opportunity, Respondent failed to participate in this disciplinary proceeding. As set forth in the Rules of Procedure of the State Bar, the court recommends disbarment.

RECOMMENDATIONS

Disbarment

The court recommends that respondent Zollie S. S. Stringer III be disbarred from the practice of law in the State of California and that his name be stricken from the roll of attorneys.

Costs

The court further recommends that costs be awarded to the State Bar in accordance with Business and Professions Code section 6086.10, such costs being enforceable both as provided in Business and Professions Code section 6140.7 and as a money judgment.

ORDER OF INVOLUNTARY INACTIVE ENROLLMENT

In accordance with Business and Professions Code section 6007, subdivision (c)(4), the court orders that Zollie S. S. Stringer III, State Bar number 177758, be involuntarily enrolled as an inactive member of the State Bar of California, effective three calendar days after the service of this decision and order. (Rule 5.111(D).)
