22 **ANSWER**

23 Defendant, Travis Kasper, generally denies each and every allegation and cause of action
24 in the Complaint. The Complaint alleges that these payments were used for personal expenses,
25 while the most if not all of the expenses will be demonstrated to be not for personal expenses or
26 use. Any funds that were ultimately used to pay for personal expenses, were funds earned by the
27 Defendant and were first transferred out of the Trust account to different online bank accounts
28 (Venmo & Paypal) first before being used to pay for personal expenses.

The issue or concern of the payment of the funds being for personal expenses is due to a
unique labeling feature of the online bank accounts. However, all transfers were initiated as a
transfer to those accounts to then be paid towards whatever the intended recipient and amount was.
