Respondent does not oppose the motion. By order filed May 1, 2013, the court ordered the parties to provide further financial information regarding respondent and the restitution paid. Both parties filed supplemental pleadings providing the information.

Accordingly, respondent's probation in this case is modified to delete the lab testing condition of probation and require respondent to make minimum monthly restitution payments of \$140. Restitution must be completed to all individual payees before any payment to the Client Security Fund.
